921 Street No. 80 Sector Sector I-8/3
44000 Islamabad, **Pakistan**

Marseilles, 5 August 2009

Member Ref: 200907017

Subject: Approval of your membership application

Dear Dr. Sulehri,

The application of International Human Rights Observer for membership to the World Water Council has been approved by the Board of Governors. To activate your membership, please also find, here-attached, the pro-forma invoice for your 2009 membership fees.

Your organisation will now be able to actively participate in the Council's current activities and steer it in its future direction.

By joining the World Water Council, you have demonstrated your interest in taking part in the global debate on water security and further contributing to the collective work engaged by the World Water Council and its members.

By becoming a member, you will enjoy exclusive membership benefits and rights, for example, partaking in World Water Council projects and activities, running for election to the Board of Governors, registering your water experts in the Water Media Centre to connect to journalists, free posting of your activities in the World Water Council's website and newsletter, participating in the General Assembly, and much more.

You will find enclosed the World Water Council's membership package, including the useful and necessary information to enable you to actively benefit from your membership and participate in the Council's activities and governance. In particular, you will find information on the World Water Council's 5th General Assembly and elections that will be held in Marseille, France, 14-16 October 2009. This meeting provides opportunities to meet with a wide range of Council members, learn more about the outcomes of the 5th World Water Forum, and determine the strategic direction for 2010-2012. During the General Assembly, the Council will also elect its Board of Governors for the period 2010 - 2012. As a member, you can run for election.

To ensure that you and your colleagues are connected to other Council members, I would invite you to share with us the names and contact details of your colleagues who wish to contribute actively.

If you have any further questions on your membership with the World Water Council, please do not hesitate to contact our Membership Officer, Ms. S. Andre (s.andre@worldwatercouncil.org).

Welcome to the World Water Council.

With kind regards,

Ger Bergkamp
Director General
